TAKE COURAGE!

## LEAD WITH COURAGE

Unlock the potential fear holds dormant in yourself & your organization

Embolden employees and leaders to operate from the 'courage mindset' and lead from heart and head. Learn to identify fear at play, reframe risk, embrace discomfort, disrupt default thinking and overcome the unconscious forces that undermine creativity, collaboration and change efforts.

## THE RESILIENCE ADVANTAGE

Expand your bandwidth to thrive under pressure & adapt faster to change

Resilience isn't we have, it's what we do. For leaders and employee groups dealing with significant change, responding to challenges with greater resiliency, strengthening wellbeing and engagement toward a shared mission critical.

## BUILD A CULTURE OF COURAGE

Build a forward leaning risk-ready organization

Equip leaders to execute a bold transformational agenda with strategies for cultivating a 'culture of courage' that harnesses human capital, encourages the disruptive thinking needed to find opportunity amid change and uncertainty.

## BRAVE WOMEN RISING

Dismantling the barriers for women to make the difference their difference makes

Empowering women to 'own their power' and embrace their feminine leadership strengths is a vital lever to unleashing the vast potential in women and advancing more to decision-making tables.
