TAKE COURAGE!

THE COURAGE GAP

The 'X Factor' to take the smart risks from where you are to where you can be
Margie's remarkable story of breaking ranks with comfort will help your audience reset their understanding with risk and empower them with practical skills to bring their bravest selves to their boldest vision.

LEAD WITH COURAGE

You can't lead from your comfort zone
Margie will embolden your leaders to lead from the inside out, building a 'culture of courage' that unlocks collective creativity and discretionary effort across your enterprise.

WOMEN DARING

Doubt yourself less, back yourself more!
Margie weaves personal stories as a working mother raising four children while relocating around the world, her doctoral research in women's leadership, and proven strategies to help women make the difference their difference makes and place the ultimate bet... on themselves!

WHAT TESTS YOU MOST, TEACHES YOU MOST

Turn every problem into a win that serves your highest good
Weaving her own hardships and heartaches – including losing a brother to mental illness and supporting another to adjust to life with paraplegia – Margie will help your audience expand their capacity for life and find the opportunities for growth that our toughest challenges always hold.

"Margie is the perfect adrenaline-like shot of inspiration to embolden your people."
